PROTECTO WRAP BOND BREAK SEALANT OR BOND BREAK TAPE MUST BE USED BEHIND ALL SEALANT JOINTS

The above mentioned manufacturer's warrant the use of their tile adhesive over Protecto Wrap AFM WM and AFM. For a copy of the warranty and a distributor nearest you contact the adhesive manufacturer or Protecto Wrap Waterproofing.

It is the responsibility of all sub-trades working on or around the membrane to ensure they do not damage it.

If you notice any damage to the membrane call Protecto Wrap Waterproofing on 0800 776 9727.
